

SOUTH KOREA

flag

To color the flag of South Korea, use Crayola® crayons, colored pencils or markers. Color the top half of the circle red and bottom blue. Leave the rest white.

Did you know?

The South Korean flag has four sets of broken and unbroken bars. The top left set, called Kun, means heaven, the bottom left set, Yi, means fire, the bottom right set, Kon, means earth, and the top right set, Kam, means water. All of these elements together stand for harmony and peace.
