

Data Collection Page

A large, irregularly shaped area with a braided border contains ten animal illustrations and ten empty rectangular boxes for data collection. The animals and their corresponding boxes are:

- A rabbit in the top right corner with a box below it.
- A fox in the top left corner with a box below it.
- A hedgehog in the middle right with a box below it.
- A mouse in the middle left with a box below it.
- A bear in the middle right with a box below it.
- An owl in the middle right with a box below it.
- A pig in the bottom left with a box below it.
- A dog in the bottom right with a box below it.
- Two empty boxes are located in the top left and middle left areas.
