

N is for New. Check out the newspaper for new news and other N words. Now, at noon or at night, it is easy to find N words. Look at a US map and see how many words start with New: New York, New Jersey, New England, Newfoundland, and more.

Nubby Ns. Make Ns from Crayola® dough and press small items such as sequins or beads into the capital and lower case n letters, before the dry. Rub your fingers over the letters and feel the nubby textures.
