

Christopher Columbus

BY ROBERT A. PETERSON

The great explorer Christopher Columbus was seen by the prophet Nephi in a vision. (See 1 Nephi 13:12.) "Explore" this picture until you find a boot, a carrot, a comb, an eagle's head, a feather, a fork, a knife, a pen, a saltshaker, a spoon, a water pitcher, and a woman's shoe. Then color the picture.
