

ST. PATRICK MARCH 17

He is the patron saint of Ireland. He was captured at the age of 16 and taken to Ireland. He became a priest and bishop. He brought the Catholic faith to Ireland and converted kings and founded churches. St. Patrick converted a whole nation. That goes to show what one good person can do. This is the power of holiness. We hold St. Patrick up as a model for how ordinary people like us can be extremely holy.
