

**DID YOU KNOW?**  
Hand washing  
with soap and water can  
reduce sickness by  
up to 45%

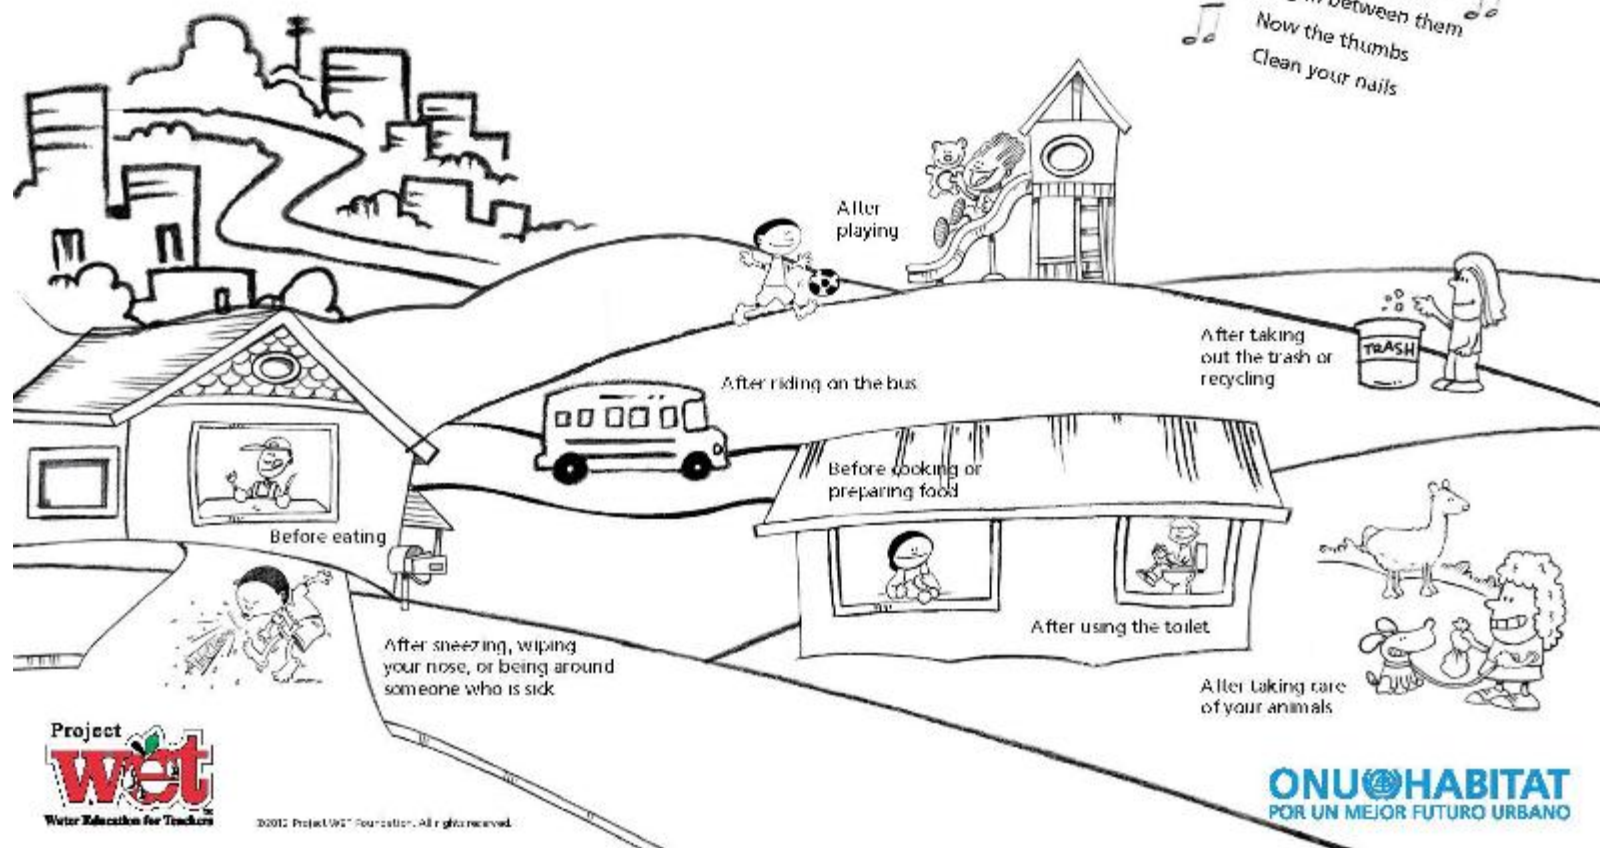

# WHEN SHOULD YOU WASH YOUR HANDS?

## TRY THIS!

Sing The Hand Washing Song below to the tune of Frère Jacques. This song lasts about 20 seconds, the amount of time you should spend washing your hands.

Lather with soap  
Rub your palms together  
Now the backs  
Of your hands  
Interlace your fingers  
Cleaning in between them  
Now the thumbs  
Clean your nails
