

Put Stripes on the Zebra

(This project is good for 3-7 year olds)

You will need:
white paper, black
and green construction
paper, scissors, glue

1. Print this page on white paper.
2. Cut out the zebra shape.
3. Cut strips of black paper about 1/2 inch wide and 3 inches long.
4. Glue black stripes on zebra.
5. Glue finished zebra on green construction paper.

*For young children, an adult should do steps 1-3.
