

STAR & MOON MOBILE

1. Decorate with Crayola® Crayons, Markers or Glitter Glue. Cut out the shapes and glue the stars to a piece of thin cardboard, for example a recycled file folder. Glue the matching star to it's back.
2. Punch a hole in the top using a hole punch. Tie different length pieces of ribbon or yarn to each mobile piece. Tie strings to a fallen branch from the outdoors. Then hang up your mobile. Print out more pages for more stars and moons.
