

## **GOD BLESS AMERICA** by *Irving Berlin*

Verse: While the storm clouds gather far across the sea, Let us swear allegiance  
to the land that's free,

Let us all be grateful for a land so fair, As we raise our voices in solemn prayer.

God Bless America,  
Land that I love.

Stand beside her, and guide her,  
Thru the night with a light from above.  
From the mountains, to the praries,  
To the oceans white with foam.

God Bless America,  
My home sweet home.

## **The United States Capitol**

Capitol, United States, is the  
building where Congress meets.

It stands on Capitol Hill in  
Washington, D.C. Besides  
serving as government office  
building, the Capitol is a symbol  
of the United States. Each year,  
about 10 million people visit the  
Capitol. Rooms open to the public  
include the chambers where  
the House of Representatives  
and the Senate meet.
