

I'd like to see  
Mr. Pettypaws  
get out of my  
reach now!

Why can't I  
ever get a land mode?!

Fascinating!  
I wonder  
how well  
I can  
bulldoze  
now...

My own  
built-in  
spike  
strip.  
How  
fortuitous!
