BLIZZARD BLUE

Color Fun Facts:

Year Introduced: 1972

Name of Crayola® Crayon box first included in: Box of 72

Some colors are thought to feel warm or cool. Red, orange and yellow are warm colors. Blue, green and purple are known as cool colors. Sometimes a bathroom faucet has a red dot on the handle to show it is for the hot water and a blue dot for the cold water. Color this cold, wintery scene with the cool color, blizzard blue. Find the two snowflakes that are the same and add a colorful hat to the snowperson.
