

# The Fall of Jericho

There are some things missing from this picture. Can you draw them in?

Can you match the clues with the mixed up words in the sevens? When you've done that, number them to show the right order.

This is the day that the walls fell down

The Israelites captured this city

Some of these carried the ark of God

The priests blew these

The people did this when the trumpets were blown

The people walked round in .....

An angel told Joshua to take these off
