

Animal Cell Coloring

Directions: Color each part of the animal and plant cell its designated color.

Cell Membrane(light brown)☐

Cytoplasm (light yellow)☐

Nucleoplasm (pink)☐

Nuclear Membrane(dark brown)☐

Nucleolus (black)☐

Golgi Apparatus (pink)☐

Flagella (red/blue striped)☐

Rough Endoplasmic Reticulum (dark blue)☐

Smooth Endoplasmic Reticulum(light blue)☐

Mitochondria (orange)☐

Lysosome (purple)☐

Microtubules (dark green)☐

Ribosome (red)☐
